

Performance Golf
RS1 Putter

CUSTOM PARTNERSHIP PROPOSAL

Own The Roll At The Open

A tailored integration making the **RS1 Putter the Official Putter of the 2026 Golf Creator Open** — with a sponsor exemption putting Performance Golf CEO Brixton Albert directly into the field at PGA National.

EVENT

Golf Creator Open

DATES

Oct 2–4, 2026

VENUE

PGA National

Prepared for: Performance Golf — Brixton Albert, CEO

Prepared: June 2026

THE OPPORTUNITY

Two Brands. One Creator Audience.

Performance Golf has built a category-defining following by teaching everyday golfers to play better — and the RS1 Putter is the product at the center of that mission. The Golf Creator Open puts that exact audience in one place: golf's most engaged content creators, on course, on camera, for three days at PGA National.

This proposal builds Performance Golf's presence around the putter — owning the moment where every round is won or lost — and seats CEO Brixton Albert in the field as a sponsor exemption. Not a logo on a banner. A founder in the content.

★ THE CENTERPIECE

The Official Putter of the Golf Creator Open

The RS1 doesn't sit on a sign — it gets put in creators' hands at the exact moment that matters.

RS1 PUTTER

OFFICIAL PUTTER OF THE 2026 GOLF CREATOR OPEN

Branded Practice Putting Green

The RS1 takes over the tournament putting green — branded flags, signage and roll-out mats greet every creator before they tee off.

"RS1 Putting Challenge"

An on-site putting contest with an RS1-funded prize — purpose-built for short-form video and leaderboard buzz.

90-Day App Challenge

A branded "RS1 Putting Challenge" inside the Golf Creator Tour app, extending reach far beyond event week.

RS1 Demo & Fitting Station

A staffed RS1 experience where creators try the putter on camera — the highest-converting content moment of the weekend.

RS1 in Every Welcome Kit

RS1 product or premium offer placed in all player & creator welcome kits — guaranteed hands-on distribution.

Category Exclusivity

No other putter or putting brand at the event. The RS1 owns the category outright, on course and in app.

★ HEADLINE INCLUSION

Brixton Albert Plays The Open

As part of the partnership, Performance Golf CEO Brixton Albert receives a sponsor exemption into the 2026 Golf Creator Open field — competing alongside the creators, not watching from the tent.

- ✓ Guaranteed playing spot in the tournament field at PGA National
- ✓ Naturally featured in creator content & pairings
- ✓ Full competitor credentials across all three days
- ✓ Founder-led storytelling — the RS1 in the maker's hands

THE INVESTMENT

Custom Package Summary

A custom build combining the top tier of the event with the putter category — anchored by the RS1.

Title Sponsor Event naming rights · largest brand presence · includes CEO sponsor exemption · 4 VIP credentials + 2-day resort accommodations · 12-month asset rights	\$100,000
